

## DADA EPZ JOB VACANCIES - KISUMU

DADA EPZ, a leading textile manufacturing company located in Kisumu, is seeking experienced professionals to join our dynamic team. We are currently hiring for several key positions. Interested candidates are requested to send their applications to [info@dadaepz.com](mailto:info@dadaepz.com), clearly indicating the position applied for in the subject line next to their name.

### 1. Operations and Floor Manager

- Experience Required: 5-10 years in operations and floor management within the textile industry. Preferred Ethnicity: Indian or Kenyan/Indian.
- Job Summary: Oversee daily production activities to ensure efficient operations. Manage resource allocation and implement strategic operational plans.
- Duties:
  - Develop operational strategies for productivity maximization.
  - Supervise floor activities, ensuring quality and schedule adherence.
  - Lead workforce training and maintain high employee morale.
  - Enforce safety and compliance standards.

### 2. Sample Maker/Cutter with CAD Experience

- Experience Required: 5-10 years in textile sample making and CAD-operated cutting.
- Job Summary: Create and adjust textile samples and patterns using CAD technology and manual techniques.
- Duties:
  - Operate CAD cutting machines for precise fabric cuts.
  - Produce detailed and accurate samples in collaboration with design teams.
  - Maintain equipment and update cutting specifications.

### 3. Embroiderer

- Experience Required: 5-10 years in advanced textile embroidery.
- Job Summary: Implement intricate embroidery designs using both machine and manual techniques.
- Duties:
  - Operate and monitor embroidery machines.
  - Apply manual skills for complex embroidery tasks.
  - Maintain quality control throughout the embroidery process.

### 4. Jumper (Versatile Machine Operator)

- Experience Required: 5-10 years operating various textile manufacturing machines.
- Job Summary: Manage and adapt to multiple textile machines to support dynamic production needs.
- Duties:
  - Operate a range of machines including sewing and knitting.
  - Train peers in machine operation.
  - Maintain productivity and assist in troubleshooting.

### 5. Inventory and Logistics Manager

- Experience Required: 5-10 years in inventory management and logistics.
- Job Summary: Manage raw materials and finished goods to ensure efficient inventory control and effective logistics operations.
- Duties:
  - Develop inventory management systems.
  - Coordinate logistics operations.
  - Manage supplier and vendor relationships.

### 6. In-House Machine Mechanic and Maintenance Manager

- Experience Required: 5-10 years in machinery maintenance, preferably in textile manufacturing.
- Job Summary: Ensure all factory machinery operates with minimal downtime.
- Duties:
  - Implement maintenance strategies and conduct repairs.
  - Manage maintenance team and oversee equipment inspections.

### 7. Human Resource and Training Manager

- Experience Required: 5-10 years in human resources, focusing on manufacturing environments.
- Job Summary: Oversee all HR functions including recruitment, training, and employee relations.
- Duties:
  - Design recruitment strategies and training programs.
  - Manage employee relations and enforce HR policies.

### 8. Accountant

- Experience Required: 5-10 years in accounting within the manufacturing sector.
- Job Summary: Manage financial records, payroll processing, and financial management of the factory.
- Duties:
  - Process payroll and maintain financial statements.
  - Oversee financial transactions and audits.
  - Provide strategic financial insights and policy development.

DADA EPZ is committed to maintaining a diverse workforce and strongly encourages applications from all qualified individuals. For more details and to apply, please send your updated CV and cover letter to [info@dadaepz.com](mailto:info@dadaepz.com). Ensure your email subject contains the job title and your name.

We look forward to growing our team with dedicated professionals!
